## COVID-19 Mitigation Measures at Community Resource Centers

PG&E adapted its approach to CRCs to reflect appropriate COVID-19 health considerations and state and county guidelines, including:

- Facial coverings will be required at all times. Customers in line without a mask will be provided one.
- Physical distancing and limits on the number of visitors at any time will be required. Ground markings will help promote proper distancing.
- CRC staff will be trained in COVID-19 precautions and will regularly sanitize surfaces and use Plexiglass barriers at check-in.
- For the health and safety of the community, asking customers not to visit a center if they are sick with a fever, cough, sore throat or runny nose.
- At indoor CRCs, temperature checks will be required for entry. Customers with over 100.4 degrees Fahrenheit will not be allowed to enter.
- At indoor CRCs, a reduced occupancy limit (one customer per 150 square feet) will be in place. Once capacity is reached, CRC staff will facilitate a 1-out-1-in system.
- At outdoor CRCs, supplies will be handed out so customers can “grab and go.” Seating will be available only for customers needing medical equipment charging.

## Community Resource Centers on Tribal Land

In January 2020, outreach was conducted to 62 tribes in PG&E’s electric service area regarding indoor CRCs; 52 tribes responded.

As of September 1, 2020, 7 event-ready outdoor sites and 3 event-ready indoor sites are located on tribal land. Please see the figures below for more information on the status of tribal sites.

## Sacramento, Siskiyou and Sutter Counties (Group 3)

- **Sacramento** – There are no indoor or outdoor sites targeted for Sacramento County as it falls completely outside Tier 2 and Tier 3 High Fire-Threat Districts. County is rarely impacted by PSPS events and has not requested any type of CRC.
- **Siskiyou** – There are no indoor or outdoor sites targeted for Siskiyou County as county requested removal from CRC consideration.
- **Sutter** – There are no indoor or outdoor sites targeted for Sutter County as it falls completely outside Tier 2 and Tier 3 High Fire-Threat Districts. County is rarely impacted by PSPS events and has not requested any type of CRC.

# End Notes

1. **Butte** – Multiple sites have been explored and were not available. We continue to work with County OES to find an additional site in Paradise, Forest Ranch or Concow.
2. **Marin** – Multiple sites have been explored and were not available. We continue to prioritize electrical reviews in this county.
3. **Mendocino** – Multiple sites have been explored and were not available. We continue to work with County OES to find an additional site.
4. **Santa Cruz** – Multiple sites have been explored and were not available. Extensive ADA remediation conversations as well as recent wildfires have delayed progress. We continue to work with land owners on potential solutions.
5. **Alameda** – Multiple sites have been explored. Several sites and cities have declined participation, some due to lack of resources from COVID-19. We continue to identify an additional site in the Berkeley/Oakland area.
6. **Contra Costa** – We have worked with individual cities in this county and are awaiting board meetings for approval in the coming weeks.
7. **Mariposa** – Work on hold until October 1, 2020 at Golden Ageds Senior Center as it became a COVID-19 testing site beginning September 1.
8. **Santa Clara** – License agreements are with land owners and legal review teams.
9. **Stanislaus** – Prioritizing work in Group 1 and 2 counties due to COVID-19.
10. **Trinity** – Prioritizing work in Group 1 and 2 counties due to COVID-19.
