Dear Mr. Morris:

Charter Communications is submitting a first Amendment for CCO SoCal I to be included in the legal entity's State franchise area. This amendment is for Charter's service boundaries in the city of Waterford, California. I have attached an amended application, Data file and Shapefiles for your review. Please advise if additional information is needed to complete the amendment.

I have advised the city of the State application and provided a copy of the application as well. I would like to thank you and your staff for the guidance during this process.

Sincerely,

A handwritten signature in black ink that reads 'Susie Evans'.
