Re: Northland Cable Television, Inc.'s ("Northland") Application for a New or Amended California State Video Franchise, dated August 7, 2013, covering Census Tract No. 060930011

Dear Mr. Morris:

Enclosed for filing with the California Public Utilities Commission, please find (i) one (1) original and one (1) copy of the completed Application form, which includes a completed Appendix A (Applicant's Principal Officers) and a signed Appendix B (Affidavit), (ii) a CD containing the completed template for a New or Amended California State Video Franchise Application, and (iii) Northland's check no. 296022, in the amount of \$2,000.00, representing payment-in-full of the requisite application fee. Also enclosed, please find a copy of Franchise Bond No. 1699039, dated November 8, 2007, in the principal amount of \$100,000.00, naming the California Public Utilities Commission as Oblige and Northland Cable Television, Inc. as Obligor, as amended by Rider, dated October 17, 2012. Please note, the original Bond and Rider were previously delivered to the CPUC under Northland's prior franchise application.

If everything is in order, please forward the Amendment to Northland's California State Video Franchise Application to my attention at the address noted above.

If you have any questions or need anything further, please do not hesitate to call.
