RE: Amendment 8 to CA State Franchise No. 0020

Dear Mr. Morris:

Time Warner Cable Pacific West LLC, doing business as Time Warner Cable, hereby submits an application for an amendment to its California State Video Franchise footprint. This request is to increase the franchise footprint to include the City of Murrieta.

Please be advised that in 2012 to comply with the Commission's new mapping requirements, Time Warner Cable provided consolidated boundary files showing areas under state franchise. The boundary for the City of Murrieta inadvertently included the portion of the City that is the subject of this application, however, Time Warner Cable has continued to operate pursuant to the local franchise requirements, and will continue to do so until the Commission approves this application.

I have enclosed an original and one copy of the Application, an electronic copy of the video franchise data and franchise area maps.

If you have any questions regarding this matter, please contact the undersigned.

Sincerely,

A handwritten signature in blue ink, appearing to be "Monique Crawford", written over a circular scribble.
