Communications Division
California Public Utilities Commission
505 Van Ness Avenue
San Francisco, CA 94102

Dear Mr. Morris:

Charter Communications is submitting an eleventh Amendment for CCO SoCal I to be included in the legal entity's State franchise area. This amendment is for Charter's service boundaries in the city of Atascadero, California. I have attached an amended application, Data file and Shapefiles for your review. Please advise if additional information is needed to complete the amendment.

I have advised the city of the State application and provided a copy of the application as well.

I would like to thank you and your staff for the guidance and support over the years. After June 30, 2016, I will be retiring (I know you've heard this a few times before) and Del Heintz, Senior Director Government Relations, California; will be your contact for Charter Communications. Del can be reached at 626-430-3426. I think your staff will enjoy working with Del.

Sincerely,

A handwritten signature in black ink that reads 'Susie Evans-Wood'.
