RE: Transfer of State Video Franchise No. 0002

Dear Ms. Johnson:

On April 15, 2021, AT&T California submitted an application to transfer its state video franchise to a new affiliate entity, as a result of a corporate reorganization and change in ownership.

The Commission has determined that the Application submitted by AT&T California on April 15, 2021 to transfer its State Video Franchise to DIRECTV, LLC, is complete. Accordingly, the Commission hereby issues the enclosed updated video franchise certificate reflecting the new legal and DBA business names.

This certificate is effective upon the date of the closing of the transaction as described in the April 15, 2021 video franchise application of AT&T California. This certificate will only become valid if/when the transaction closes.

Sincerely,
