**Subject:** RE: SED Directive for DOT #1169104

Ken, Matt, and Steve,

Please be advised that the inspection of the subject pipe has been set for January 10, 2019 at 10 am at Kars Advanced Materials, located at 2528 W. Woodland Drive, Anaheim, CA 92801. It will involve non-destructive testing.

The testing is as follows: The inspection includes the physical inspection of the pipe, which includes the such non-destructive testing, measuring and sampling as may be required. It further includes photographing and imaging of the pipe by still photos in addition to video recording.

I will send a meeting notice to the three of you for this meeting.

Thank you,

Troy A. Bauer  
Manager, Pipeline Safety and Compliance

**Subject:** [EXTERNAL] RE: SED Directive for DOT #1169104

Troy – It was not clear to SED that a testing date of January 10, 2019 was set for the January 20, 2017 incident that occurred at 1748 South mountain Ave., Ontario, San Bernardino County (DOT #1169104). As such, we agree to extend the SED directive to that date. Please note that this is nearly 2 years after the incident and SED remains concerned with SoCal Gas's compliance with 49 CFR 192.617 and will be monitoring this testing closely.

**Kenneth Bruno**
